Wednesday last day for old print server; new ones online

The old print server will be retired Wednesday and three new print servers have been added to the IDS Utilities folder at Marshall. Employees should delete their current installed printer and then install their printer from one of the new servers. For print queues of the new servers, see "Inside Marshall." Call 544-HELP, Option 7, for questions regarding how to load the print queue.

Purchasing open house 9-11 a.m. and 2-4 p.m. through Thursday, Bldg. 4200, Room 600. For details, call 544-7271

E-learning available; 2003 course catalogs updated

The Self-Study Learning Center has updated 2003 course catalogs available. Marshall team members can choose from 1,500 courses they can access from the office, home or on TDY -- anywhere there is Internet access. Accounts are given on a first-come, first-serve basis. For more information, call 544-8291 or go to self.study@msfc.nasa.gov or http:// mi.msfc.nasa.gov/elearning.

April is Environmental Awareness Month
